Representative Ron Ryckman, Chairperson
Legislative Coordinating Council
State Capitol Building, 300 SW Tenth Avenue
Room 370-W
Topeka, KS 66612

Dear Chairperson Ryckman:

As Chairperson of the 2020 Special Committee on Economic Recovery, I respectfully request three additional meeting days for the Special Committee. The Special Committee met on August 12 and 13 and September 16 and 17 and reviewed the impact of the pandemic on state receipts, various sectors of the Kansas economy, and the state of the Kansas labor economy. The Special Committee intends to use its remaining days to consider the competitiveness of Kansas tax policy, compare the economic response policies adopted by other states, evaluate programs at the Departments of Commerce and Labor, and formulate recommendations for other necessary economic recovery policies.

Given the amount of information for the Special Committee to consider, additional time is needed for the Special Committee to complete its work, make recommendations, and prepare a committee report.

If time does not permit authorization for the meeting to be approved by the LCC, your consideration in authorizing additional meeting days as LCC Chairperson under LCC Policy 20 would be appreciated.

Please consider this request to replace the request dated October 2, 2020, seeking two additional meeting days. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Julia Lynn by EP".

Special Committee on Economic Recovery
