Memorandum

TO: Legislative Coordinating Council
FROM: KLISS Modernization Steering Committee
DATE: July 9, 2024
RE: KLISS Modernization Project Phase 2

During the December 18, 2023, Legislative Coordinating Council meeting, approval was given for Phase 2 of the KLISS Modernization Project, including authorization to accept and use approximately \$5,000,000 of federal funds to pay for the project. The KLISS steering committee has since worked with the vendor to negotiate a contract for Phase 2 of the project.

Phase 2 of the KLISS modernization project includes the redesign and upgrade of the system and processes used in the Legislative Research Department, the design and creation of collaboration tools allowing the Legislative Research Department and the Office of the Revisor of Statutes to draft and amend budget, tax, and appropriation bills withing KLISS, redesign and upgrade of the KLISS Chamber Automation tools used by the Kansas House and Senate, redesign of the KLISS Committee System, and the design and creation of web-based tools for legislative members, staff, and the general public to access and track legislative data.

The steering committee requests authorization to complete the contract negotiations for Phase 2 of the KLISS Modernization Project and approval for the chairperson of the LCC to review and sign the completed contract.
